

Steven A. Hauer's debut book, *One Inch Between Life and Death*, is a gripping true story of survival, resilience, and purpose. At sixteen, a near-fatal hunting accident changed everything. Left on the brink, Steven began to reflect deeply on the moments that shaped his life—and the reason he might've been spared. Today, he considers himself a walking miracle.

Over the years, through hardship and healing, Steven discovered a calling: to tell his story and inspire others to find meaning in their own struggles. This book marks his first step into the world of publishing.

Steven is a proud father of three: Nicholaus (22), Jacob (20), and Claire (13). By day, he works as a Sales Merchandiser and a Licensed Insurance Agent specializing in voluntary benefits. When he's not writing, he enjoys fishing, spending time outdoors, playing card games, and listening to music.
